

Saint Peter's Catholic School

Uniform Policy

2024-2025 School Year

DRESSED FOR SUCCESS

The dress code at Saint Peter's Catholic School requires that students wear the prescribed school uniform every day. We believe students should always take pride in their appearance. Research has shown that student behavior and work ethic are generally improved when students wear uniforms. Uniforms also serve the practical purpose of safety since students are easily identifiable and persons not in uniform are easy to spot on our campus. Parents may find that wearing a uniform can get children out of the door more easily in the mornings!

Throughout the year, classroom teachers will be monitoring uniforms, and not adhering to the uniform policy will result in a uniform correction note that will go home. A student acquiring 3 uniform corrections in the 9-week grading period will receive a disciplinary note. Our principal will be conducting quarterly uniform reviews.
